

Board Meeting Agenda - April 23rd, 2024 6:30-8:00 p.m.

Members are enthusiastically welcomed to the Board Meeting. Member-owners are observers of the meeting and are asked to hold any commentary to their dedicated section at item 4 on the agenda. If you have questions or concerns during or after the meeting we ask that you email the board at board@msmarket.coop.

There are some documents the board will review in preparation for the meeting that member-owners will not have access to. When possible, we will link to publicly available documents and resources on the agenda.
