

# Membership Equity Refund Request

*To discontinue membership and receive your equity refund*

**Please note:** Mississippi Market's bylaws only allow equity refunds once a membership is paid in full. If using the payment plan option, please complete all payments of \$25 before requesting an equity refund. LIME memberships must have full \$90 equity paid prior to requesting a refund. If requesting a refund in the event of a member-owner's death, the executor of the estate or beneficiary may complete this form. This request will be presented at the next Board of Directors Meeting for approval. Depending on their meeting schedule, it can take up to 7 weeks to receive your refund.
