Art will be hung at the West 7th store for a period of 3 months, from _____ (date) to _____ (date).

All artwork will be approved by Mississippi Market Co-op before it is hung.

All artists featured will be local Minnesota BIPOC or immigrant artists. Preference will be given for art that aligns with Mississippi Market’s values and mission. No work will be hung that contains nudity, obscenity or anything otherwise determined to be offensive.

Artist commitments:

The artist is responsible for hanging/displaying artwork and taking down all artwork during Mississippi Market’s regular business hours and on the agreed upon start and end dates listed above.

The artist will provide an artist’s statement, photograph, and bio to be hung along with their work by requested deadline.

The artist will provide an inventory and price list as reference of what artwork pieces they install along with prices listed on each individual piece. Any changes to the inventory or price list will need to be communicated before installation.

The artist will bring additional pieces at the 45-day mark if more than half of the pieces have sold to help fill in the empty spaces.

Mississippi Market commitments:

Mississippi Market is not responsible for any damages or theft that may occur while the art is on our premises.

Mississippi Market will promote the artist and artwork on our website, print newsletter, on our social media, and in the seating area of our West 7th store.

Mississippi Market will provide two 8’ and two 4’ photo ledges to prop up and display artwork.

Mississippi Market will record a short interview or video with the artist to help with promotion. This interview will be scheduled with our marketing team in advance of the install.

Mississippi Market will pull a report of all sales at the end of the quarter and mail a check to the artist for the total of all the art sales in the three-month period.
